

# Support the Folsom Library – forever

Buy 'book spines' for you and your loved ones, and your names will be permanently displayed on a library wall

## The perfect gift for your teacher!

**H**ere is an idea for the perfect gift for a teacher or organization leader: a **Friends of the Folsom Library** "book spine." Our book spines are mini-plaques designed to look like the spines of books. They are engraved or hand-lettered with the name or message of your choice and displayed permanently on a library wall.

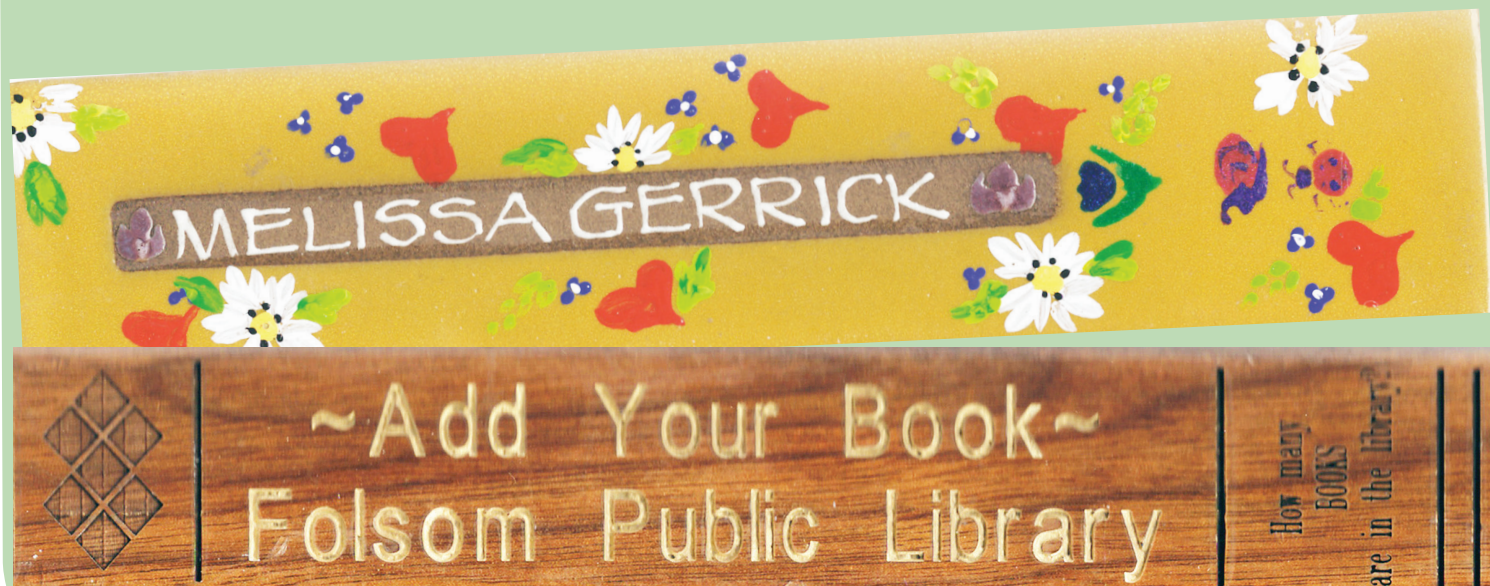

Now is the time to order them! For a limited time, in honor of our 20th anniversary, we are offering these spines for only \$99 each.

You can choose from two styles: wood and ceramic.

**Wood spines**, displayed near the adult reading room, are nicely carved and can be inscribed with two lines of engraving. **Now \$99**

**Ceramic spines**, displayed near the children's reading room, are hand-painted and can be inscribed with one line of lettering. **Now \$99**

Order soon! The form is on the reverse.
